

# Alcohol Wholesaler Registration Scheme

Your application for **REALITY TRADE UK LTD** was **approved**

AWRS reference number **XWAW 000 0011 9468**

Thank you for your application. Based on the information you have given us, we have registered you to trade in wholesale alcohol. This means that we have approved you to carry on a controlled activity in accordance with the Finance (No. 2) Act 2023 (F(No.2)A 2023), section 100 and regulations made under section 102.

You must meet the general conditions and restrictions of AWRS. These are set out in Excise Notice 2002. You can find this on our website at GOV.UK.

## About making changes

You must use the AWRS service to tell us about any changes to your registration details, trading premises or any other information set out in paragraph 10 of Excise Notice 2002. This includes telling us if you stop trading in wholesale alcohol. Go to the AWRS pages on GOV.UK to access this service. You must use the same username and password that you used for your original application.

If you do not

- tell us about any changes to your registration details; or
- meet the conditions and restrictions of the AWRS

then you may have to pay financial penalties and your alcohol stock may be subject to forfeiture (whether or not duty has been paid).

## AWRS look-up service

Now that we have approved you, your details will appear on our AWRS look-up

service. You can find this by searching GOV.UK for 'Check if an alcohol wholesaler is approved'.

This service lets your customers check that you are approved as wholesalers of alcohol. To allow your customers to the service, you must give them your AWRS unique reference number (URN) if they ask for it.
